# October 25, 2026 – Thirtieth Sunday in Ordinary Time

**Focus:** *Love for others flows from God's love.*

The readings today emphasize that the Christian life is orientated toward others. God gives us specific instructions for how we are to treat others: to love them as we love ourselves. This is possible only after we learn to allow God to love us. The love we receive from God will naturally overflow into how we treat others.
